Papa Alonzo Leatherby lived a long time ago in Carroll County in a little house in the woods. Most of the time, the family listened to Papa Alonzo stories about every season of the year. He knew as the best story-teller in Carroll County. He would clear his throat and say, "Well, now, as I recollect..." which was the way he always began. Lulie and the children would gather around. Early one winter morning, it started to snow. And the snowflakes that fell were huge, but still it didn't quit. That night turned out to be the coldest night anybody ever remembered.
